☐ This rule proposal, or portions of the proposal, is exempt under [RCW 19.85.025](#)(4) (does not affect small businesses).

☐ This rule proposal, or portions of the proposal, is exempt under RCW \_\_\_\_.

Explanation of how the above exemption(s) applies to the proposed rule:

**(2) Scope of exemptions: Check one.**

- ☐ The rule proposal is fully exempt (*skip section 3*). Exemptions identified above apply to all portions of the rule proposal.
- ☐ The rule proposal is partially exempt (*complete section 3*). The exemptions identified above apply to portions of the rule proposal, but less than the entire rule proposal. Provide details here (consider using [this template from ORIA](#)):
- ☒ The rule proposal is not exempt (*complete section 3*). No exemptions were identified above.

**(3) Small business economic impact statement: Complete this section if any portion is not exempt.**

If any portion of the proposed rule is **not exempt**, does it impose more-than-minor costs (as defined by RCW 19.85.020(2)) on businesses?

☒ No Briefly summarize the agency's minor cost analysis and how the agency determined the proposed rule did not impose more-than-minor costs. These amendments increase the reimbursable amounts to businesses, including small businesses, for participation in the Abandoned RV program. We do not anticipate any businesses will experience increased costs as a result of the changes. These changes were stakeholdered and industry requested.

☐ Yes Calculations show the rule proposal likely imposes more-than-minor cost to businesses and a small business economic impact statement is required. Insert the required small business economic impact statement here:
